Amy Neshanian, Esq.

**NESHANIAN LAW FIRM, INC. / CEO & CO-FOUNDER
CERTIFIED FAMILY LAW SPECIALIST
STATE BAR OF CALIFORNIA BOARD OF LEGAL SPECIALIZATION**

Amy Neshanian's passion for family law was born from an innate desire to help others navigate some of life's most complex moments. Early in her journey, she was driven by a sense of purpose and problem-solving; today, she leads Neshanian Law Firm, Inc. with empathy, balance and unwavering advocacy.

As CEO and co-founder, Neshanian has built a practice centered on clarity and compassion. Her biggest challenge? Learning to temper ambition with wellness. "I had to let go of the hustle mentality and embrace a more balanced approach," she says. That realization empowered her to lead both her firm and her family life with greater presence—including mentoring her son as he begins his own legal path.

To Neshanian, a Dynamic Woman is one who values depth and emotional intelligence, takes risks and leads with compassion. That spirit also led her to pursue—and pass—the real estate broker exam, expanding her skill set beyond law. She's most proud of her work supporting clients after trauma, particularly women reclaiming their strength. "It's not just about law," she says. "It's about using it to help people rebuild their lives."

Active in the community, Neshanian volunteers with the Human Options Legal Clinic, providing pro bono services to survivors of domestic violence. Influenced by strong women such as her late mother and women she works with daily, she believes true leadership is rooted in empathy and authenticity.

Based in Orange County, where diversity fuels her creativity, Neshanian remains committed to mentoring women, advancing equity in the legal field and championing the quiet strength that defines a Dynamic Woman.
